

# All About... Ants

Hi, my name is \_\_\_\_\_  
I'd like to tell you a few things I learned about ants!

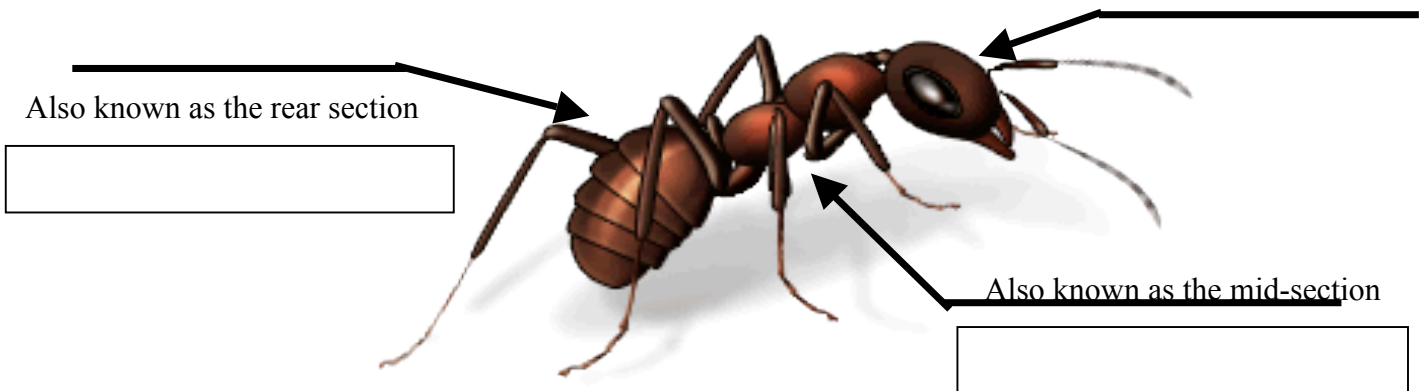

Ants are a type of \_\_\_\_\_ and they live in special groups that are called \_\_\_\_\_. Did you know there are about \_\_\_\_\_ different species (or types) of ants? Ants have four stages to their life cycle. They are the \_\_\_\_\_, \_\_\_\_\_, \_\_\_\_\_, and the \_\_\_\_\_ stage. Ants have a short life-span. They only live about \_\_\_\_\_ - \_\_\_\_\_ days.

One interesting fact I learned about ants is:

Here are the parts of an ant:

The outside of an ant's body is covered with a hard armor called an \_\_\_\_\_.
